PRESS RELEASE

BMSI Acquires Dura-Craft

CGF Industries, Inc. of Wichita, Kansas, parent company of Building Materials and Services, Inc.. ("BMSI"), is pleased to announce the acquisition of select assets of Dura-Craft Millwork of Camden, Tennessee. The new company has been incorporated as Dura-Craft Door, LLC. The addition of Dura-Craft to the growing BMSI family expands our national distribution of pre-hung ready to install doors for multihousing, residential and retail building centers.

CGF companies are recognized for innovation and high quality products/services. The acquisition of Dura-Craft recognizes our long term commitment to the Building Products Industry.

Mike Jones, President, will continue to lead the Dura-Craft organization.

In conjunction with the acquisition of Dura-Craft, BMSI has acquired adjoining land from the Benton County Industrial Development Board to facilitate future expansion of the present Dura-Craft factory.

BMSI is the platform holding company for CGF's building products group of companies. Our industry holdings have supported the commercial and residential construction industries for over 60 years. We invest in companies that provide not only the look, but of equal importance produce products that are designed for durability and ease of installation. www.cgfind.com
